FROM THE PRESIDENT

Thank you to the 100+ CREW member volunteers, Committee Co-Chairs, and Board of Directors who contributed their time, energy, & knowledge to our success this year. As I mentioned at our Excellence Awards, it has been an extraordinary year. This team of professionals reached levels of leadership, networking, service and recognition that were never anticipated.

In addition, the loyalty exhibited between our members in terms of referrals, warm introductions and qualified leads is truly unparalleled to any other commercial real estate organization. I welcome you to visit our announcements and members making deals at the bottom of this newsletter to see this first hand.

Last, thank you for the opportunity to serve as your CREW Charlotte President. I have had the privilege to be surrounded by and work with the most amazing people, and I am truly honored. I am proud to hand-off the CREW Charlotte Presidency to Dawn Royle with Master Title Insurance. Dawn, congratulations! You will do a terrific job, and I could not be happier for you!

DECEMBER LUNCHEON SUMMARY

Our CREW Charlotte 2011 Commercial Real Estate Person of the Year Award goes to Patricia (Pat) Garrett, President of the Charlotte Housing Partnership. In addition to receiving this award, Pat was our keynote speaker.

Pat Garrett has led the Charlotte-Mecklenburg Housing Partnership since 1989. Under Pat's leadership, the Housing Partnership has been particularly active and successful in leading the revitalization of several inner city neighborhoods and as the master developer in a \$34.7 million HOPE VI redevelopment known as Brightwalk. The organization is currently leading its largest redevelopment effort in its history, having purchased a 60-acre tract within 1 ½ miles of Charlotte's Center City to retain affordability while enhancing quality and amenities. Five of these communities, three completed and two underway, are within the same corridor with a rich history the organization seeks to preserve alongside affordability, while overcoming blighted structures and enticing commercial investment in the area.

Pat inspired us with her story of rising through the ranks in the housing field with hard work, recognized opportunities and a willingness to take on a new adventure and to not be limited by her gender or the expectations of others.

Pat would say the most important aspect of her life is her family. She has been married to her husband Dan for 44 years and has two amazing daughters, one who is an Assistant Vice-President at Americredit and the other an Associate Professor at UNC Wilmington. Pat has also been blessed with four (4) amazing grandchildren, Mary, who is 17 and loves to dance. Zachary, who is 13 and loves video games, Sophie, who is 4 ½ and bilingual in Dutch as well as English, and Tessa, who is 5 months old.
